Credit Information

Recommended Maximum Credit:

EUR 30.000

The Recommended Maximum Credit is to be understood as the highest possible engagement to a supplier delivering goods or rendering services on open terms with an average of 60 days. The calculation is based on the assumption that, on average, the company in question has 5 suppliers which deliver goods or render services at the same time. This amount is an indication of the credit amount to allow a company; it is not an insurance decision given by an underwriter of Coface Credit Insurance. Unless there is a specific contractual agreement, the recommended maximum credit cannot be considered as a credit insurance guarantee by Coface.
